WOW, look at the color, body and beauty on this young heifer. We named her BANDIT because of the spots around her eyes. She should make a great show/futurity prospect. Her sire BACKFIRED LOVE LV is over 91.25" ttt with awesome horn direction.

Total Horn: 43.5000 on 11/17/2023 49.3750 on 04/03/2024 TTT: Weight: 720.0000 on 11/17/2023
